

Your India team, employed properly, billed at **actuals**.

Bridge91 is an employer of record in India. The people who work for you stay exactly where they are. Bridge91 becomes their legal employer in India, runs their payroll and statutory compliance, and bills you one monthly invoice at actual cost, with our fee stated separately.

What it means for you

-  **One Indian partner, fully compliant**
PF, ESI, professional tax, TDS and gratuity, filed on time and visible to you.
-  **One monthly invoice**
Every cost at actuals, itemised line by line, with a stated fee.
-  **Nothing changes for your team**
Same people, same work, same managers.
-  **Room to grow**
Your own India entity and capability centre through Bridge91 Elevate, when you are ready.

What your people get

-  **A proper employer**
An employment contract under Indian law, issued by Bridge91.
-  **Payroll**
Salary on time every month, with a payslip.
-  **Statutory cover**
Provident fund, ESI where it applies, professional tax, TDS and Form 16.
-  **Benefits and continuity**
Group health insurance from day one, gratuity provisioned, leave tracked, full and final settlement handled properly.

From \$59
per employee per month

No deposit
no security deposit

No setup fee
onboarding is not billed

No minimum term
stay because it works

Step 1 A call with us

Thirty minutes on your team, your current arrangement and what the move would cost.

Step 2 One agreement

You sign with Bridge91 and we take over as the employer in India. Onboarding is measured in hours.

Step 3 One invoice a month

At actuals, itemised, with our fee on its own line.
